

Complaints Procedure

- 1) Speak with your Centre Manager
- 2) In the unlikely event you have a complaint which you do not feel able to make to your Centre Manager or a complaint which has not been dealt with to your satisfaction, please contact Head of Operations or the Chief Executive
- 3) If you wish to take your complaint further, please write to the Chair of Trustees
- 4) In the unlikely event that you have a serious complaint which you believe breaches regulations and cannot be dealt with by us to your satisfaction please contact Ofsted.

We investigate most complaints within 1 working day and all of them within 5 working days. We provide an account of findings, and action taken, to the complainant and keep a log which all parents can access. We keep records of complaints for 10 years and in the unlikely event that we receive a serious complaint about a breach of Ofsted standards, we will immediately inform Ofsted who may conduct their own investigation.
